Regular Session
Tuesday, April 9, 2019
9:00 A.M.**

Hamilton County Commissioner's Court met in regular session on Tuesday, April 9, 2019 at 9:00 A.M. with the following members present: County Judge Mark Tynes, Commissioners Johnny Wagner, Keith Allen Curry, Lloyd Huggins and Dickie Clary.

Tynes called the meeting to order and a quorum was established.

Tynes led the invocation and followed with the pledges.

James Yates addressed the court about the Hamilton County Museum and historical jail. He thanked the court for the use of the jail. It is very important to keep it as history. He said that he did swing by and look at the building the other day and he saw where somebody had gotten a little aggressive with the power washer and that there will need to be patchwork where the damage was done. He knows everybody volunteers and is much appreciative of all. He said we are all working to make the facilities looking better in a timely manner. He said with all the improvements needing to be addressed if we could spend four or five thousand dollars as opposed to twenty thousand that would be great. He told the court that he was much appreciative of all the help that the county has done. (Recorded in Commissioner's Court Papers Book 62 Page 545)

Huggins stated that we need to do repairs in a way that will last. Seek out someone who knows how to do masonry work. He said the court needs to discuss what condition that they want the facility in. He said that the court had been negligent in taking care of the museum and needs to take more responsibility in taking care of the building. Mostly of all we need communication with the historical society.

Tynes did let Mr. Yates know that we are still wanting a list of the things that needed to be addressed with repair and maintenance on the museum and told him that we have a maintenance man here at the courthouse that could help out. Communication with the historical society and the court will be needed.

Richard Layne thanked Wagner and the court for trying to take care of the wild hogs. He said he is about 50 hogs short this week.

There were no line item transfers.
