To the extent required by the Texas Election Code, as amended, or other applicable law, the appointment of these clerks must include a person fluent in the Spanish language to serve as a clerk to render oral aid in the Spanish language to any voter desiring such aid at the polls on Election Day. 10. **ELECTION CODE AND HAVA.** In all respects the Election shall be conducted in accordance with the Texas Election Code. Pursuant to the federal Help America Vote Act ("HAVA") and the Code, at each polling place there shall be at least one voting system that is equipped for disabled individuals, and each such voting system shall be a system that has been certified by the Texas Secretary of State as compliant with HAVA and the Code. The Superintendent is hereby authorized to enter into any necessary agreements required to comply with this section.

11. **BILINGUAL ELECTION MATERIALS.** All election materials (including notice of the election, ballots, instruction cards, affidavits, and other forms which voters may be required to sign) and all early voting materials shall be printed in both English and Spanish, or Spanish translations thereof, and/or other assistance shall be provided, as required by the Texas Election Code and the Federal Voting Rights Act of 1965, each as amended.

12. **ELECTRONIC VOTING MACHINES.** Electronic voting machines may be used in holding and conducting the Election on Election Day; provided, however, in the event the use of such electronic voting machines is not practicable, the Election may be conducted on Election Day by the use of paper ballots (except as otherwise provided in this section). Electronic voting machines or paper ballots may be used for early voting by personal appearance (except as otherwise provided in this section). Pursuant to Section 61.012, as amended, Texas Election Code, the District shall provide at least one accessible voting system in each polling place used in the Election. Such voting system shall comply with Texas and federal laws establishing the requirement for voting systems that permit voters with physical disabilities to cast a secret ballot. Any legally permissible voting method may be used for early voting and Election Day voting by personal appearance. Certain early voting may be conducted by mail.

13. **CENTRAL COUNTING STATION.** The District authorizes the Election Officials to utilize a Central Counting Station (the "Station") as provided by Section 127.001, *et seq.*, as amended, Texas Election Code. The Election Officials, or designee thereof, is hereby appointed as the Manager of the Station who will establish a written plan for the orderly operation of the Station in accordance with the provisions of the Texas Election Code. The Board authorizes the Election Officials, or the designee thereof, to appoint the Presiding Judges, the Tabulation Supervisors, and the Programmers of the Station and may appoint Station clerks as needed or desirable. The Election Officials will publish (or cause to be published) notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for the Station in accordance with the provisions of the Texas Election Code.

14. **GENERAL STATEMENTS.** In accordance with the provisions of Section 3.009(b), Texas Election Code, it is hereby found and determined that:

- (a) The proposition language that will appear on the ballot is set forth in Section 9 hereof.
- (b) The purpose for which the bonds are to be authorized is set forth in Section 8 hereof.
- (c) The principal amount of the debt obligations to be authorized is set forth in Sections 8 and 9 hereof.
- (d) As set forth in Sections 8 and 9 hereof, if the bonds are approved by the voters, the Board of Trustees will be authorized to levy annual ad valorem taxes, on all taxable property in the District, sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds and the cost of any credit agreements executed in connection with the bonds.
- (e) Based upon the bond market conditions at the date of adoption of this Order, the maximum interest rate for any series of the bonds authorized at the Election is estimated to be

5% (expressed as a net effective interest rate applicable to any such series of bonds) as calculated in accordance with applicable law. Such estimate takes into account a number of factors, including the issuance schedule, maturity schedule and the expected bond ratings of the proposed bonds. Such estimated maximum interest rate is provided as a matter of information and for Texas statutory compliance, but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold or the amortization period for bonds that are the subject of this Election.

(f) As set forth in Section 8 hereof, if the bonds are approved, they may be issued in one or more series, to mature serially, over a period not to exceed 40 years, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The District estimates an ad valorem debt service tax rate of \$0.376 per \$100 of taxable assessed valuation if the bonds that are the subject of the Election are approved and are issued (taking into account the outstanding District bonds and bonds that are the subject of this Election, but not future bond authorizations of the District). The foregoing estimated tax rate and amortization period are only estimates, provided for Texas statutory compliance, and do not serve as a cap on any District ad valorem tax rate or the amortization period for bonds that are the subject of this Election.

(g) The aggregate amount of the outstanding principal of the District's debt obligations, through respective maturity, (all of which are secured by an unlimited tax levied for debt service purposes) as of the date of this order in the District's 2025-26 fiscal year is \$1,695,000.00.

(h) The aggregate amount of the outstanding interest of the District's debt obligations, through respective date of issue (all of which are secured by an unlimited tax levied for debt service purposes), as of the date of this Order in the District's 2025-26 fiscal year is \$213,782.96.

(i) The ad valorem debt service tax rate for the District for the 2025-26 fiscal year is \$0.10 per \$100 of taxable assessed valuation.

15. NOTICE OF ELECTION. Notice of election, including a Spanish translation thereof, shall be published at least one time in a newspaper of general circulation in the District, with such publication occurring not more than 30 days and not less than 10 days before Election Day. Moreover, a substantial copy of this Order and the voter information document attached as Exhibit C, including a Spanish translation thereof, shall be posted (i) on the bulletin board used for posting notices of Board meetings not less than 21 days prior to Election Day, (ii) in three additional public places within the District's boundaries not later than 21 days prior to Election Day, (iii) in a prominent location at each polling place on Election Day and during early voting, and (iv) in a prominent location on the District's internet website not less than 21 days prior to Election Day. The Superintendent is authorized to correct, complete and revise the Notice to conform to changes that occur subsequent to the passage of this Order.

16. AUTHORITY TO EXECUTE DOCUMENTS AND APPROVE TECHNICAL CHANGES TO ORDER. The Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties, to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar

contracts or agreements with the County, acting by and through the Election Officials, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the provisions of the Texas Election Code, as amended. In addition, the Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties to make such technical modifications to this Order, upon consultation with the District's Bond Counsel, that are necessary to correct any ambiguity or mistake or that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein. By incorporating all essential terms necessary for a joint election agreement, this Order is intended to satisfy Section 271.002(d) of the Texas Election Code, as amended, without further action of the Board of Trustees.

The District is authorized to pay the fees charged by the County for services rendered in connection with the Election.

17. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

18. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

19. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

20. It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Chapter 551, as amended, Texas Government Code.

21. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

22. **EFFECTIVE DATE.** Pursuant to the provisions of Section 1201.028, Texas Government Code, this Order shall become effective immediately upon adoption thereof.

IT IS SO ORDERED.

VOTER INFORMATION DOCUMENT

Hico Independent School District Proposition A:

☐ FOR	“THIS IS A PROPERTY TAX INCREASE. The issuance of \$22,100,000 of bonds by the Hico Independent School District for the design, construction, rehabilitation, renovation, expansion, improvement, acquisition, and equipment of school facilities, with priority given to renovations to the elementary and secondary schools, and the necessary sites for school facilities, and the levying of a tax sufficient to pay the principal of and interest on the bonds and the cost of any credit agreements executed in connection with the bonds.”
☐ AGAINST	

Principal of bonds to be authorized	\$22,100,000
Estimated interest for the bonds to be authorized presuming an interest rate of 5% ⁽¹⁾ (1) The interest on the proposed bonds is estimated based on market conditions as of August 19, 2025, and therefore, the interest payable on the proposed bonds may be less than, or more than, the amounts set forth above based on market conditions at the time of sale of the proposed bonds.	\$21,357,586.81
Estimated combined principal and interest required to pay on time and in full the bonds to be authorized amortized over 30 years ⁽²⁾ (2) The principal and interest on the proposed bonds is estimated based on market conditions as of August 19, 2025, and therefore, the principal and interest payable on the proposed bonds may be less than, or more than, the amounts set forth above based on market conditions at the time of sale of the proposed bonds.	\$42,832,586.81
As of the date the election was ordered (August 11, 2025), principal of all outstanding bonds	\$1,695,000
As of the date the election was ordered (August 11, 2025), the estimated interest on all outstanding bonds	\$213,782.96
As of the date the election was ordered (August 11, 2025), the estimated combined principal and interest required to pay on time and in full (including all outstanding bonds and the bonds to be authorized by this bond election order) amortized over 30 years ⁽³⁾ (3) The combined principal and interest required to pay on time and in full (including all outstanding bonds and the bonds to be authorized by this bond election order) is estimated based on market conditions as of August 19, 2025, and therefore, the amortization of the bonds may be less than, or more than, the amounts set forth above based on market conditions at the time of sale of the proposed bonds.	\$44,741,369.77
Estimated maximum annual increase in the amount of taxes on a residence, with a \$140,000 State homestead exemption, with an appraised value of \$100,000 to repay the bonds to be authorized, if approved. This figure assumes the amortization of the District's bonds, including outstanding bonds and the proposed debt obligation; changes in estimated future appraised values within the District; changes in estimated future appraised values within the political subdivision; application of the State mandated homestead exemption on the tax assessed valuation of the District; and the assumed interest rate on the	\$0

proposed bonds. It is also anticipated that taxpayers with frozen rolls (such as those over age 65 who have filed the appropriate exemption) will not see any impact on their taxes unless they make substantial improvements to their homes or change homesteads. However, whenever the District issues bonds, additional property taxes must be levied and collected to pay debt service on the bonds; regardless of whether there is an increase or not in the tax rate.
